

1. Deputy Director for Administration
Room 7-D-26
- 2.
3. Director of Central Intelligence

1 to 3:

I am advised that this was not a borderline case, in that the security disapproval is based on the use of hard drugs. It is my understanding that [] was most concerned that Mr. [] was disqualified on the basis of PATB tests, and Mr. [] assured him that such was not the case. There was no discussion of the security issue, and I feel your response should avoid this topic.
